The Fellowship Open and its Honorary Chairs are proud of the young people who are demonstrating that character matters and that barriers can be shattered for those who dream. Since 2001, the Fellowship Open has provided more than \$500,000 in contributions to our youth.

Celebrating Ten Years of Making a Difference

Mr. Junior Bridgeman

Ms. ReDonna Rodgers

The Fellowship Open was founded ten years ago with a mission to recognize the volunteers and organizations that have positive impacts on our community's youths, as well fostering a sense of inclusion by community leaders of every background.

This year's Fellowship Open beneficiaries are remarkable organizations that are making a positive impact on the lives of Milwaukee. They are:

- Charles "Chuck" Rhodes Fellowship Open/YMCA Youth Scholarship
- Milwaukee County Council - Boy Scouts of America
- Solomon Community Temple United Methodist Church
- Transitions: Men of Tomorrow, Inc.

We thank these organizations for their commitment to improving the lives of youth, and we are proud to recognize their important achievements. We

also thank artist Sylvester Sims for his important artwork celebrating the spirit of the 2010 Fellowship Open.

In addition, each year the Fellowship Open recognizes the outstanding work of those who have made a significant contribution to young people. This year, we are proud to honor **Junior Bridgeman**, former NBA professional basketball star, and owner and president of Bridgeman Foods, Inc., and **ReDonna Rodgers**, co-founder and president of the Center for Teaching Entrepreneurship in Milwaukee. Both are honored for their entrepreneurial spirit and outstanding contributions to youth in their communities.

Junior Bridgeman's dedication to helping children achieve their dreams reflects the core goals and mission of the Fellowship Open. He has proven that one person can make a difference in the lives of children in our community, and we congratulate him as our 2010 Fellowship Legends Award honoree.
